

## HOUSING THE NEXT GENERATION

Caritas Communities is committed to helping young people with nowhere to call home. Of the 100 young adults who have permanent housing at Caritas, more than 70% have experienced homelessness at some point in their lives, making Caritas a much needed stable environment.

*“Surprised some of you may be. Proud and rejoiced is what all should be. Life is what you make of it. I am most certainly on my way to becoming a butterfly.”*

## HONORING GLORIA CLOUGH

Gloria Clough gives back to her community to support disadvantaged populations, particularly young people, and to give them the opportunities she had. Currently, Gloria serves on the Board of Directors at Emerson Hospital, Bridge Over Troubled Waters, and Orchard House. In 2014 Gloria and her husband Chuck launched the Boston Children’s Hospital Neighborhood Partnerships Clough Foundation Training and Access Program (TAP) to better address students’ social, emotional and behavioral health needs. Caritas Communities is honored that Gloria has been an advocate of our work since 2014.
