The Caritas Communities' Young Leaders Group is asking for your support. While current circumstances prevent us from holding our 7th Annual “Get Social for a Good Cause” event to raise money for residents moving in to Caritas from homelessness, the need is greater than ever.

We hope that you will raise a toast from home and make a donation to provide dignity to residents in these troubling times. Due to current needs, we are expanding our fundraising purpose this year to support the Healthy Residents Program, which includes not only Welcome Baskets, but emergency meals, over-the-counter medicines, and cleaning supplies.

At Caritas, we believe secure housing, support and a sense of community are the foundation of human dignity and lead to healthy, productive lives. For over 35 years, we have provided safe, permanent housing for very low income individuals living in Greater Boston.

You can make a difference in the lives of Caritas residents. Please consider supporting us from a distance!

**Sponsorship Opportunities**

<table>
<thead>
<tr>
<th>Amount</th>
<th>Benefits</th>
</tr>
</thead>
</table>
| **$1,000** | - Prominent recognition in an email campaign to over 4,000 contacts
