JOIN US FOR

Caritas Communities' 39th Annual Housing for All Gala

Caritas Communities is **building communities** of equitable neighborhoods with dignified homes and safe places for our residents to sleep, eat, gather, and live in peace.

Your sponsorship prevents homelessness by providing very low-income individuals with permanent housing, support, a sense of community, and expanded opportunities. Since 1985, Caritas has helped fill the need for safe, secure housing in Greater Boston.

P. Leo Corcoran Humanitarian Award Honoree

Kevin Phelan

Co-Chairman, Colliers

With 50-plus years in commercial real estate, Kevin Phelan is a Co-Chairman at the Boston office of Colliers, a global leader in commercial real estate services and investment management. More simply put: Mr. Phelan is a mortgage broker, and he is *still* thoroughly enjoying what he does. The market has ebbed and flowed, but the job remains the same and without an actual “product” to sell, he says, “I am only as good as my reputation.”

When Mr. Phelan left Bristol, CT for college, two things were deeply instilled in him: giving back and real estate. It made sense that his post-grad career took him to State Street Bank where he honed his finance skills on their real estate team during the day and joined the ranks of volunteers at the Boys and Girls Clubs at night.

He believes what we do from 5:00 to 8:00 is just as important (if not more) than what we do from 8:00 to 5:00—to “keep us humble and grounded.”

He continues to serve in this capacity through Board and committee roles, including Providence College, Boys and Girls Clubs of Boston, Archdiocese of Boston, Crossroads, and the 100 Club.

Mr. Phelan lives by the following five precepts he has developed over his life:

- Have a job, but don't work
- Never miss your kid's games
- Wallet is tied to the heart
- Best jokes start in the mirror (don't take yourself seriously)
- Do well by doing good

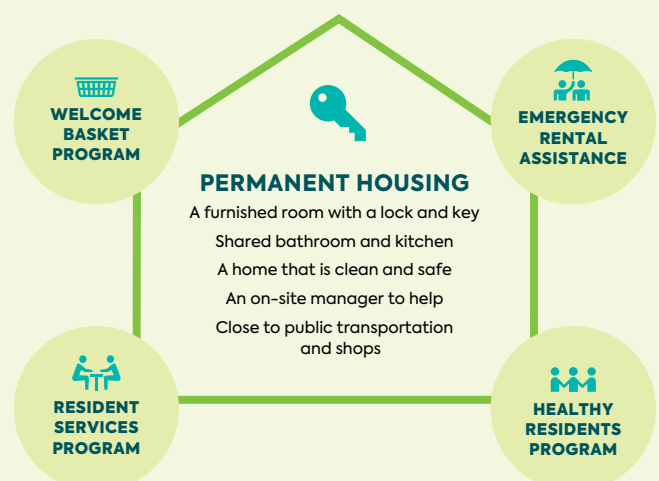

Meaning: he loves what he does—and what he does is built on relationships, integrity and respect. Through the many civic and business cross-sections of his career, he has been able to network and mentor others with their philanthropic and professional endeavors. Whether determining the right lender for a borrower's property, helping a young person find their first job after graduation, or working with boards to build and enhance their efforts, he continues to be motivated by finding solutions.

Today, Mr. Phelan's motivation and fulfillment (after 5:00) are found at hockey and lacrosse games and his nine grandchildren's myriad of other activities. Always family first... then a book (or two).

The Caritas Experience

With your help, a house becomes a home, and a person becomes stronger. Caritas residents struggle with complex issues related to poverty and homelessness. Having a safe home is only the first step in enabling them to stabilize and heal. Our programs continue to support residents along their path, aiming to help them restore their dignity and build critical life-skills.
